### **Pool Tie Break Procedure (to determine pool winner)**

The following procedures will be followed until tie is broken. Once the tie is broken the procedure stops. If one of the following criteria does not apply skip to the next one.

1. Win /Loss Record (most wins is the pool winner)
2. Head to Head record (if three teams are tied, skip to #3 to break tie between the three teams)
3. Goals Allowed (fewest in pool play is the winner)
4. Goal Differential (Goals scored in pool play minus goals allowed in pool play – larger the number the better)
5. Goals Scored (most goals scored in pool play is the winner)
6. Flip of coin 2 out of 3
